Lärandemål

The student shall meet the following learning outcomes, which cover knowledge and understanding, skills and abilities as well as judgement and approach. On completion of the course, the student should be able to:

Kunskap och förståelse

- identify different perspectives and theories of media engagement

Färdighet och förmåga

- identify and motivate different empirical methods and conceptual frameworks for a research project on media engagement
- reflect upon new directions for research on engagement in media, communication and cultural studies, and related fields in the social sciences and humanities

Värderingsförmåga och förhållningssätt

- critically evaluate varieties of perspectives on media engagement and apply selected perspectives on a research project on media engagement.

Innehåll

- Introduction to concepts and methods on media engagement in media, communication and cultural studies
- Engagement, identity and affect
- Engagement, digital environments and power relations
- Engagement, political and public spheres
- Engagement, transmedia and popular culture

Undervisningsformer

The teaching consists of lectures, seminars and exercises performed individually and in groups.

Undervisningen bedrivs på engelska.

Förkunskapskrav

The applicant must be registered in a PhD programme in the areas of media, communication and cultural studies, or relevant areas of social sciences and humanities, in a higher education

institution.

English proficiency corresponding to English 6, or English course B in the Swedish upper secondary school system, is required.

Examination och betyg

Kursen bedöms med betygen Underkänd eller Godkänd.

Assessment 1: Individual article or chapter (5 credits) Assessment of ILO1-4

Assessment 2: Peer review of individual article or chapter (2.5 credits) Assessment of ILO 3-4

To receive a passing grade on this course, the student must be awarded a passing grade on both assessments.

Further information concerning assessment of specific intended learning outcomes and grading criteria is provided in a study guide distributed at the beginning of the course.

Poängregistrering av examinationen för kursen sker enligt följande system:

Examinationsmoment	Omfattning	Betyg
Individual written assignment	4,5 hp	U/G
Individual presentation	3 hp	U/G

Kursvärdering

The instruction is followed up throughout the course, and a course evaluation is performed at the end of the course. The course coordinator collates and comments on the evaluation before submitting it to the associate dean of doctoral programmes at the School of Education and Communication. The evaluation is to function as a basis for future improvements to the course.

Övrigt

See separate attachment for a detailed schedule and information about the application procedure.
