Contents

The course aims at deepening the student's knowledge in a specific area of business administration.

Type of instruction

Individual studies/project work with supervision.

The teaching is conducted in English.

Prerequisites

27,5 credits in Business Administration (or the equivalent).

Examination and grades

The course is graded Fail (U) or Pass (G).

ILO 1, 2 and 3 are examined in the written assignment.

Registration of examination:

Name of the Test	Value	Grading
Written assignment	3 credits	U/G

Course evaluation

At the outset of the course the course manager ensures that course evaluators are elected (or exist) among the students. The course evaluation is carried out continuously as well as at the end of the course. On the completion of the course the course evaluators and course manager discuss the course evaluation and possible improvements. The result is reported to, among others, the Associate Dean for Education, the Council for Undergraduate and Master Education, and the Board of Directors of JIBS. The course manager shall at the outset of the following course report results and measures taken in the previous course evaluation.
