Courses

Course changes can occur, as long as they do not substantially affect the programme's content and learning goals.

Entry requirements

The applicant must hold a minimum of a Bachelor's degree (equivalent to 180 ECTS credits from an accredited university), including at least 30 ECTS credits in Business Administration, of which at least 15 credits must be finance and/or accounting. In addition, the applicant must have completed at least 10 credits in statistics, mathematics, econometrics, or the equivalent. Proof of English proficiency is required.

Qualification Requirements

To obtain the Master of Science (60 credits) with a major in Business Administration, the student must complete the course requirements of at least 60 credits at the higher education level that were not used for the bachelor degree, with at least 45 credits overall in second-cycle courses and at least 30 of those second-cycle credits in business administration including a 15 credit Thesis course in Business Administration.

To obtain the Master of Science (60 credits) with a major in Business Administration, with a focus on Finance, the student must complete: (1) the requirements for the Master of Science (60 credits) with a major in Business administration, (2) all mandatory programme courses as listed in the above contents section, or their equivalent, and (3) a Master thesis in Business Administration (15 credits) that covers a topic with relevance for finance.
