Filosofie magisterexamen med huvudområdet företagsekonomi

Courses

Course changes can occur, as long as they do not substantially affect the programme's content and learning goals.

Entry requirements

The applicant must hold the minimum of a Bachelor's degree (i.e the equivalent of 180 ECTS credits at an accredited university) with at least 15 credits in business administration. Proof of English proficiency is required.

Qualification Requirements

To obtain the Master of Science (60 credits) with a major in Business Administration, the student must complete the course requirements of at least 60 credits at the higher education level that were not used for the bachelor degree, with at least 45 credits overall in second-cycle courses and at least 30 of those second-cycle credits in business administration including a 15 credit Thesis course in Business Administration.

To obtain the Master of Science (60 credits) with a major in Business Administration, with a focus on Entrepreneurship and Innovation, the student must complete: (1) the requirements for the Master of Science (60 credits) with a major in Business Administration, (2) all mandatory programme courses as listed in the above contents section, or their equivalent, and (3) a Master thesis in Business Administration (15 credits) that covers a topic with relevance for entrepreneurship and innovation.
